

Kneading Love into a New Neighbourhood

Pizza fanatics rejoice! Save your fuel for the fire and have your fix of thin crust pizzas and pastas, which are coming one step closer to you. Singapore's beloved pizza chain, Peperoni Pizzeria, a concept by the Les Amis Group, will be spreading its love into Upper Thomson at the tail end of August 2016. To add, the restaurant chain has also introduced a few new dishes to spice things up this month.

Peperoni's opening at Upper Thomson will be the pizzeria's 7th outlet in Singapore since their debut in Greenwood Avenue back in 2004. Following the success of its older siblings, Peperoni has become an iconic hangout known for their humongous 21-inch pizzas (\$55), which is perfect for large gatherings.

Decked in their corporate colours of Tomato Orange, Capsicum Green, Flour Beige and Pumpkin Yellow, Peperoni Thomson adds a burst of life to the row of shophouses located beside it. Watch in awe as chefs assemble pizzas in the open kitchen, where ovens are preheated for close to 2 hours to reach a 350-degree temperature in order for the orange wood to give Peperoni's famed pizzas their signature aroma.

The brand will continue to do all that they can to win over diners with their wood-fired pizzas, classic Italian dishes, hearty portions, and a stellar collection of craft beers (\$14-\$17) and cocktails (\$15). Even the little ones will be kept entertained as Peperoni equips themselves with colouring materials and a kids menu which includes popular mocktails such as Cinderella (\$7) - a concoction of lime, orange and pineapple juice, together with soda and grenadine.

That's not all. Peperoni's menu just got a whole lot more enticing with the introduction of 9 new items to their existing menu. It is safe to say, there is truly something for everyone at Peperoni. For entrées, it is recommended to share the mozzarella wrapped with deep-fried breaded eggplant with a tomato-basil sauce (\$18), or the home-made meatballs (\$12). Mushroom lovers can now satisfy their cravings with the Portobello Funghi pizza, served with a sunny-side up and a dash of truffle oil. Alternatively, they can opt for a Porcini pasta tossed with roasted red capsicums (\$21). For those who prefer seafood, Peperoni's got you covered with their Al Granchio pasta, prepared with sautéed crab meat and flavoured with garlic and green chillies (\$27). End of the meal on a sweet note with a delightful serving of Strawberry Parfait infused with Grand Marnier (\$13).

Later this year, Peperoni will be expanding their delivery zones to include neighbourhoods in the north-east and central areas, such as Thomson, Bishan, Serangoon and Ang Mo Kio to name a few. With Peperoni offering a 10% discount off your total bill when you order online, your next pizza party is just a few clicks away!

Further away from home, the Peperoni franchise in Manila is slated to open its 2nd outlet in September 2016. Since the opening of the 1st outlet at Uptown Place Mall in December 2015, Peperoni has continued to win over the hearts and stomachs of the folks in Manila. Given the success of the 1st outlet, Peperoni's franchisee decided to spread their wings and open another outlet at U.P. Town Center, which is located in the bustling Quezon City.
