Peperoni Pizzeria

A Family-friendly Italian Restaurant

Peperoni Pizzeria started out in 2004 in a leafy enclave at Greenwood, welcoming friends and families with comforting Italian classics and a warm atmosphere.

Known for its rustic Italian cuisine, especially its signature 21-inch XXL wood-fired thin crust pizzas, its menu also offers a wide variety of appetisers, pastas and desserts. Each outlet has a decked out in-house bar, serving a stellar collection of wines, spirits and imported beers - great to liven up any party. There is also no service charge, however prices are subject to prevailing government taxes.

The vibrant energy of Peperoni's staff and loyal followers has also turned it into more than just a restaurant. It has evolved into a much-loved destination driven by its 'Appetite for Life' philosophy, a place with a mission to bring people together, bind relationships, and savour life in all its delightful flavours.
