**SINGAPORE, 13 OCTOBER 2021** - The season to celebrate all things scary and spooky returns! This Halloween, Peperoni Pizzeria is raising the dead and bringing two of their eerie-sistable pizzas back from the grave to satisfy your devilish cravings.

Whet your appetite for and prepare yourself for the frightfully delightful return of the **Salmone Pizza** that comes in three sizes (**M, \$19 | L, \$24 | XXL, \$55**). Slathered in blood-red tomato sauce and topped with salmon, capers, and caramelised onions, the **Salmone Pizza** is sure to bewitch both children and adults.

For those who are more inclined toward white-based pizzas, the **Bacon Miele Pizza (M, \$24.61 | L, \$32.10)** has been resurrected for your greedy indulgence. Topped with bacon, honey and fresh oregano, expect each mouthful to be packed full of sweet and savoury flavours - a harmonious combination of two contrasting elements.

Find the **Salmone Pizza** at all our outlets **from 16 October to 7 November 2021** for dine-in and takeaway. For those terrified of leaving the house, it will be exclusively available on **Deliveroo from 16 October to 19 October 2021** before our other delivery platforms. The **Bacon Miele Pizza**, will be available exclusively on **GrabFood from 18 October till 31 December 2021**.

Before the pizzas make another mysterious disappearance, head down to Peperoni Pizzeria for one hell of a treat (no tricks here).

## **Peperoni Pizzeria**

### *A Family-friendly Italian Restaurant*

Peperoni Pizzeria started out in 2004 in a leafy enclave at Greenwood, welcoming friends and families with comforting Italian classics and a warm atmosphere.

Known for its rustic Italian cuisine, especially its signature 21-inch XXL wood-fired thin crust pizzas, its menu also offers a wide variety of appetisers, pastas and desserts. Each outlet has a decked out in-house bar, serving a stellar collection of wines, spirits and imported beers - great to liven up any party. There is also no service charge, however prices are subject to prevailing government taxes.

The vibrant energy of Peperoni's staff and loyal followers has also turned it into more than just a restaurant. It has evolved into a much-loved destination driven by its 'Appetite for Life' philosophy, a place with a mission to bring people together, bind relationships, and savour life in all its delightful flavours.
